1. Introduction

Thank you for your interest to my product.

EMAIL NOTIFICATION PRO (Abbreviation:**ENP**) is the Question2Answer (Abbreviation:**Q2A**) plugin that member can know several events on QA site by email. Q2A have minimum email notification feature. But if you install this plugin, your QA site will become more active. In particular, we want to recommend this plugin to the owner who have closed site. Plugin is made in accordance with the plugin making manner of Q2A. Therefore, you can upgrade Q2A in comfort.

The convenience of all the people related to Q2A improves, and I hope Q2A system is recognized from people in the world.
